Hi Maria Teresa,

Regarding item 1 below, please add Canada's support for the project on "Critical Minerals Traceability and Sustainability".

Thanks.

Chris

**Subject:** Invitation: UN/CEFACT 40th forum and support to new UN/CEFACT CRM project led by Canada

Dear Christopher,

I am kindly writing to inform you that:

1. Recently we have received a new UN/CEFACT project on "Critical Minerals Traceability and Sustainability" from a Canadian representative Nancy Norris, who is a Senior Director – ESG & Digital Trust of the British Columbia Ministry of Energy, Mines and Low Carbon Innovation.
   **We would appreciate your support as HoD of Canada to this project.**

th

2. As part of the upcoming 40 UN/CEFACT Forum on 8-12 May in Geneva, we have an extensive programme including a conference on Wednesday 14-17.00 on "Resilience of Global Supply Chains in Times of Crisis – Supporting a Sustainable Recovery with Green and Digital Solutions".

   **We would like to invite you to attend this conference and other events of the 40th Forum. You can find detailed agenda here**: https://unece.org/trade/cefact/40th-uncefact-forum

3. For the project on critical minerals traceability and sustainability related meeting during the Forum, the **Assistant Deputy Minister of British Columbia Ministry of Energy, Mines and Low Carbon Innovation** is considering coming to Geneva .

   **We would like to connect you with Nancy Norris at nancy.norris@gov.bc.caand and kindly ask you to provide any support necessary for the Assistant Deputy Minister.**

Many thanks and we remain available should you need any additional details.

With best regards,

Maria Teresa
