Dear Khan sir,

Namaste!

I thank you for the incredible support and encouragement you offer to our Domain and our team of experts, I am also in deep gratitude for the mentoring and brotherly support you give to me.

I am attaching the project proposal for our new project API Transformation of Experience Programs Technical Artefacts with Sustainability Claims. and Travel Agency and DMC API Project.
I will be requesting Ian for Australian HOD approval & Akio Suzuki is Requesting Japanese HOD approval.

I look forward to hearing from you soon.

Warm Regards.
