I'm very glad to announce you that, as the Spanish HoD, I give my support to the very interesting project in the Single Window Domain.

Kind regards

Asunto: 31s UN/CEFACT Single Submission Portal - Requesting HoD support

Dear Manuel,

Thank you for taking a few moments to speak today.

As I had mentioned, there is a project in the Single Window Domain which is seeking HoD support for a few weeks already and we really would like to officially launch the project at the Rome Forum.

The project proposal is at:

<https://uncefact.unece.org/display/uncefactpublic/Single+Submission+Portal>

Would you please consider supporting this project as the Spanish HoD?

Thank you very much in advance for your consideration.

I hope that everything is going well for you and your family.

I do hope to have the opportunity to come back to Madrid soon!

Best regards,

Lance
