Dear Tahseen,

I am writing to you in your capacity as UN/CEFACT Head of Delegation.  
 The UN/CEFACT Bureau approved a project proposal on Waste Management.  
 The project leader is Norbert Pfaffinger of the Austrian Delegation  
 According to our procedures, we require three countries to support the launch of a project.

Would you kindly consider bringing your HoD support to the launch of this project?  
 There is no form for such support, just a return email stating your support would be sufficient.

Thank you very much in advance for your consideration.  
 Best regards,  
 Lance
