Dear Lance,

You have my support as HoD for the project.

I was also informed that our expert (NFP) as expressed his support for the revision and that it is indeed a welcome project.

Subject: 33t request HoD support for Rec16 revision project (UN/LOCODE)

Dear Mrs. Hurtta,

I am writing to you in your capacity as Head of Delegation.

The bureau has recently approved a project to revise Recommendation 16 on UN/LOCODE.

I am attaching the project proposal for your information.

The UN/LOCODE is a key aspect of our deliverables and widely used in regulations, transport and in industry.

Some of the aspects of Recommendation 16 are a little dated and need to be revised, which is why this project has been launched.

According to our procedures, all standards and recommendation projects require 3 HoD support in order to officially start.

Could you please kindly consider bringing your HoD support to the launch of this project?

There is no specific form, just a return email stating your support would be sufficient.

Thank you very much in advance for your consideration.

Best regards,

Lance
