Asunto: 33i Request HoD support for the Health Claims project proposal

Dear Mr. Pereira Ramos,

I am writing to you in your capacity as UN/CEFACT Head of Delegation. The UN/CEFACT Bureau recently approved a project proposal on Health Insurance Claims. According to our procedures, we require three countries to support the launch of a project.

Would you kindly consider bringing your HoD support to the launch of this project? There is no form for such support, just a return email stating your support would be sufficient.

Thank you very much in advance for your consideration.

Best regards,

Lance
