Bureau teleconference discussion notes and decisions Thursday, 15 September 2016 GoToMeeting session (11:00-13:00 CET)

Participants:

Bureau present: Harm Jan van Burg, Estelle Igwe, Tahseen A. Khan, Sue Probert, Lance Thompson (Chair)

Bureau apologies: Raffaele Fantetti, Anders Grangård

Secretariat: Maria Rosaria Ceccarelli, Gianguglielmo Calvi, Benjamin Czapnik, Yuri Saito

Agenda item	Discussion	Action/Decision
1. Roll-call	Quorum: 5 of 7 Bureau Members = quorum	
1a. Approve the		Approved
agenda		
1b. Approval of	Approved	Approved
meeting report of 29		
August 2016		
2a. Procedural points	No procedural points were discussed.	
3a. T+L – Pipeline	This project is based on MMT and addresses how to produce a subset	Bureau Decision 1609028: Approval of
Data Structure	message from reference data models. It will look at the basis for a carrier of	Pipeline Data Structure Project and
Project	data, not how data pipelines are deployed. This work is aligned with both EU	Project Leadership (David Roff) under
	and WCO work on data pipelines.	Ship PDA pending 3 HoD support
3b. SWD – Rec36	This project has completed two internal reviews and now the project team	Bureau Decision 1609029 : Approval of
request to go to	would like to present it for Public Review.	draft Recommendation 36 to go to
Public Review		Public Review
3c. ITPD – Rec1	The text of this Recommendation has been updated and, among other things,	Bureau Decision 1609030 : Approval of
revision request to	revised to reflect electronic approaches.	revised draft Recommendation 1 to go
go to Public Review		to Public Review; the document will
	It was suggested that the draft Recommendation be sent directly to ISO TC154 to actively solicit comments.	also be sent to TC154 for comment
3x Pending issues	The following project are pending:	
	HoD support:	
	 Agri – Traceability Framework (missing 2 already has DE) 	
	 HoD support will be sought at the upcoming Forum in 	
	Bangkok	
	 M+T – Library Publication Formats (received DE, already had AT & UK) 	

- o Call for participation should be published soon
- T+L e BOD (missing 2 & project proposal; already has AT)
 - o Discussion on next steps at the Forum in Bangkok

Calls for participation:

- SWD Core Principles Operation (pending publication?)
 - o Already published online
- M+T Library Publication Formats (pending publication?)
 - Will be prepared soon

Public review periods:

- F+P Trade & SC Finance w/ TF (should be going to public review?)
 - The final text is ready and published on CUE. As this is a background paper, the Bureau can approve it at its next meeting and it can be published as a Green Paper.
 - A similar version of this document will be published by an Italian company – this issue needs to be discussed between the project team and the secretariat at the Forum

Should be going to Project Exit:

- ITPD PPP-TF (public review ended July 27th)
 - o The final conference call will take place on 20 September
- BUY/PAY CII BRS+RSM (public review ended August 27th)
- SHIP VERMAS
 - o This project is expected to be closed at the Forum
- Account Journal Book Project (Public review ended Jan 27th)

Pending Bureau / Secretariat:

REG – Trusted Transboundary Project

In light of the resource implications previously highlighted by the secretariat, the development of an international convention is currently difficult.

A meeting is planned with the project team, Bureau and secretariat on Monday, 26 September.

4a. UN/CEFACT

The preparations for the Forum are advancing well. The secretariat will be at

Bureau members are requested to send

28th Forum, Bangkok	ESCAP and can check the meeting rooms on 23 September.	their travel information to the secretariat
Dangkok	Slides for the Opening Session have been requested from Domain	
	Coordinators and Focal Points. The deadline is 16 September.	
	Coordinators and Focal Forms. The deadline is to september.	
	It is likely that the meeting on 25 September will take place at a hotel and	
	can last all day.	
4b. Other events	VC Probert is currently attending a WCO meeting to discuss FAL forms. She	
	has prepared and independent, simple data model based on CCTS; this has	
	been accepted by all participants, including WCO.	
	The secretaries and LIN/CEEACT expense posticipated in a Single Window.	
	The secretariat and UN/CEFACT experts participated in a Single Window Conference in Marrakech on 5-7 September. UN/CEFACT organized a side	
	event. This was well received.	
	The secretariat will attend two meetings in Brussels next week: 4 th Plenary	
	meeting of the Digital Transport and Logistics Forum (20 September), also	
	with the participation of VC Probert, and the First Meeting of Working	
	Group on E-Commerce (21-23 September).	
	The WTO Dublic Forum will be held at the and of Sentember, UNECE will	
	The WTO Public Forum will be held at the end of September. UNECE will have a table to distribute publications.	
	have a table to distribute publications.	
	The Chair will meet with the HoD and delegations of Japan and Korea in	
	early October.	
5a. Report from	No report from liaison.	
Liaison		
5b. Liaison activities	Liaison activities from MoU/MG which have been completed:	
from MoU/MG	R16/01 – put ISO/TC215 in touch with ITPD	
	R16/02 – put ISO/TC215 in touch with Travel & Tourism Domain	
	Liaison activities pending from MoU/MG: R16/08 – block-chain technology and input from M&T PDA	
	The secretariat has prepared a draft paper and will circulate it before	
	25 September	
	R16/10 – update of units of measure code lists	
	The secretariat will get in touch and follow up with ISO Technical	
	Programme Manager (Mary Lou Pelaprat)	

R16/11 - Semantic POC project conf call - future host of project conf-call in Sept A16/04 - Semantic POC project conf call - future host of project conf-call in Sept • This will be discussed on 25 September A16/06 - preparing an Executive Guide on CCTS for consideration at next MoU/MG meeting • The Library Maintenance Focal Point has prepared a draft to be circulated 6a. Report from Secretariat The Terms of Reference for the Ad Hoc Group of Experts on UN/LOCODE is being redrafted by the secretariat. The secretariat explained that it is difficult to obtain EXCOM approval for the establishment of such groups because of resource requirements. A request has also been received for setting up a FLUX User Community. A similar set up (ad hoc group) would be recommended for this. No report from Communication 7b. News Brief for the Forum 8a. Discussion on Code of Conduct Ode of Conduct Ode of Conduct Ode of Conduct (to which all UN/CEFACT experts, While dissenting opinions can of course be voiced, this should be done in accordance with the Code of Conduct (to which all UN/CEFACT experts knowingly adhere) and through existing internal communication mechanisms (e.g. through the relevant Domain Coordinator, PDA Vice Chair, Head of Delegation, should be involved, as well as the role of the Plenary's Burcau Adviser (para 3, Code of Conduct). This discussion will be continued at the next meeting. 8b. Proposed letter to ISO central secretariat explained that it is difficult to the Bureau before sending. Coefficient of the Code of Conduct of the Bureau before sending.			
A16:04 - Semantic POC project conf call – future host of project conf-call in Sept • This will be discussed on 25 September A16:06 – preparing an Executive Guide on CCTS for consideration at next MoU/MG meeting • The Library Maintenance Focal Point has prepared a draft to be circulated 6a.
