

UNECE-UN/CEFACT "Transparency and Traceability for Sustainable Value Chains in Garment and Footwear"

1. Project governance structure

The key Action deliverables for UNECE, detailed in the document 0.1 Description of Project Action “Enhancing transparency and traceability of sustainable value chains in the garment and footwear industry”, will be implemented according to the following project governance structure and the development and approval of key project outputs will follow the Open Development Process (ODP)¹ procedure of UN/CEFACT, which will ensure they will formally have the status of UN tools.

2. Project Group of Experts' Composition and Modus Operandi

Following a Call for Expression of Interest addressed by the UNECE Secretariat to project stakeholders, as of **20 May 2020**, some **160 experts** expressed interest to provide in-kind expertise in support of the project work. Below, these experts, forming the Group of Experts for the UNECE-UN/CEFACT project “Enhancing transparency and traceability for sustainable value chains in the garment and footwear”, are listed according to four project Sub-Groups, based on respective areas of interest and expertise.

The Call for Expression of Interest launched in December 2018 is ongoing, and participation to the project Group of Experts will be open during the entire project duration. Project information and outputs are shared also with a wide network of more than **300 stakeholders' representatives**, globally.

Note: *The Group of Experts for [UN/CEFACT](#) projects are composed of specialists with the collective expertise to address specific tasks defined for it and should be drawn from: (a) Governmental institutions; (b) Business; (c) Civil society; (d) Private sector associations; (e) Consumer organizations; (f) International organizations; and (g) Academia.*

Participation in UN/CEFACT Group of Experts is on a voluntary basis. All members of the Group of Experts must register as experts of UN/CEFACT in accordance with the [relevant procedures](#). The Group of Experts shall meet virtually at least once every two months, and physically at least twice a year, preferably in conjunction with an official UN/CEFACT meeting such as the Forum. The Group of Experts can establish sub-groups to prepare projects requiring specific expertise. The UNECE Secretariat provides necessary support to the Group of Experts and its sub-groups within available resources.

 Sub-group 1 → Develops a **Policy Recommendation** on Traceability and Transparency for Sustainable Value Chains in the Garment and Footwear Industry.

 Sub-group 2 → Develops a **Standard** for Electronic Information Exchange for the **Textile Sector** for traceability and transparency of sustainable value chains (BRS/CCBDA/XML/EDIFACT).

 Sub-group 3 → Develops a **Standard** for Electronic Information Exchange for the **Leather Sector** for traceability and transparency of sustainable value chains (BRS/CCBDA/XML/EDIFACT).

 Sub-group 4 → Conducts **Pilots, Training** and **Awareness-raising** for traceability and transparency of sustainable value chains.

4. Project Communication

In order to provide visibility to the project activities and outputs, **a communication plan** for awareness raising worldwide about responsible production and consumption in the sector (including the design of promotional materials such as a video, leaflets and brochures, media campaigns) will be developed. This project activity will be designed and implemented during the entire project duration. A closing conference for peer learning and sharing of lessons learned on the implementation of project outputs will be organized and conducted at the end of the project in 2021.
