**Multi-Stakeholder Policy Dialogue: Accelerating action for Sustainable and Circular Value Chains in Garment & Footwear**  
27 - 28 April 2020

WebEx Video Conference

This virtual policy dialogue is being organized by the UNECE project 'Enhancing Transparency and Traceability of Sustainable Textile and Leather Value Chains in Garment and Footwear'. The dialogue will bring together project experts and stakeholders to review progress, discuss challenges and brainstorm on proposed solutions. The dialogue will focus on the development of the policy recommendations, the technical standards for traceability of information exchange and leather value chain, and the implementation of the first project blockchain pilot for traceability and due diligence in the cotton industry.
