Summary of the meeting:

The comments that were received on the Recommendation text version 10 of the draft document were discussed. The text up to International Standards (page 2 and 3) were discussed. A clear version will be made available on the Confluence website.

The section on International Standards was unclear as how it relates to NTFBs. Further consultation with experts is necessary to revise the text.

The next conference call will be held on 25 February 1230 hrs (Geneva/Paris time).
