Summary of the 18/12/2013 Conference Call

The Recommendation project was approved by the Bureau and this project is now an official UN/CEFACT project.

Three comments / suggestions were received prior to this meeting and were integrated into a proposed Guidelines outline (from Gordon Cragge, Crown Agents and Lance&Johan ITPD Coordinators).

Project lead, Maurice DIAMOND suggested a draft outline for the Recommendation Guidelines and this was discussed during the call.

All of the comments and suggestions were integrated directly onto the outline (please see the latest version on Confluence).

The next conference call is scheduled for January 15th, probably around 13:00 CET Geneva-Paris time. The exact time and dial in information will be sent later. Thank you in advance for entering this in your calendars already.

All PPP-TF experts are requested to send in comments and suggestions for the Guideline outline before the January 12. If you are interested in developing the text for a specific part of the Guideline, please contact the project lead, Maurice DIAMOND.
