OPEN

UN/CEFACT is pleased to announce the opening of the Public Review period for the revision of Recommendation 1.

Besides streamlining all of the documentation into a single, consolidated document, this project has modernized certain aspects of the text in order to accommodate electronic equivalents of the UN Layout Key.

The 60 day Public Review period will end on November 20 2016.

The Public Draft text is available on the CUE website.

Any comments should be submitted to the project's lead editor, Lance Thompson using the comment template.
