

DPCCE Meeting Note 2022-08-16

[back to](#)

Date

16 Aug 2022

Attendees

- [Brett Hyland](#)
- [Jaco Voorspuij](#)
- [Steven Capell](#)
- [Birgit Viohl](#)
- [user-cbcff](#)
- Etty Feller
- [Martin Michelot](#)
- [@wei lai](#)
- Matt Gantley
- [Peter Carter](#)
- Gregory Mungal
- [Ian Watt](#)
- [Alejandro Rinaldi](#)

Goal

- Properly orient the project within the wider TIC landscape

Discussion items

Time	Item	Who	Notes
5 min	Welcome and note new industry experts	BH	Introductions made
2 min	Confirm Agenda	BH	Confirmed
5 min	Previous minutes and actions	BH	Actions progressing
5 min	Use of CUE and look over the project site – Team outputs, WP, Recommendations	IW	Intro provided Kevin to assist members with access where needed

10 min	<p><u>Contributing Expert coverage – to review in context of trends impacting on the TIC space:</u></p> <p>1.ESG & Circularity digitalisation initiatives</p> <ul style="list-style-type: none"> Digital product passports/EU Green deal Carbon tracking/carbon credits Compliance for Green Social and Sustainability Bonds <p>2. Agricultural products</p> <p>Need to aggregate key reference documents</p> <ul style="list-style-type: none"> Emergence of digital exchange platforms – Govt (eg, ePhyto) or industry-based Digital certificate access for trade purposes (eg, Allergens, CoO, Residues, Organic /Safety/Sustainability/Halal/Ethical supply certifications) <p>3. Retail products</p> <p>Regulatory compliance traceability (eg, labelling, biosecurity)</p> <ul style="list-style-type: none"> Near-universal GTIN adoption <p>4. Resources and Construction products</p> <ul style="list-style-type: none"> BuildingSMART stds and BIM interface Tracing of conflict minerals, green hydrogen, ethical supply, etc <p>5. Healthcare/pharmaceutical products</p> <ul style="list-style-type: none"> Digital history (eg, sterilisation, e-links to medical records) GTIN adoption for pharmaceuticals <p>6. Trade Measurement digitalisation</p> <ul style="list-style-type: none"> OIML/BIPM/IMEKO/ISC/CODATA Joint statement of intent <p>7. General Trade & Logistics (Legal & Operational aspects)</p> <ul style="list-style-type: none"> UNCITRAL model laws, incl Electronic Transferable Records Smart labels (IoT) GTIN appearance in national customs regs 	All	<p><u>Specific project members noted for specific sectoral knowledge</u></p> <p>1.ESG & Circularity digitalisation initiatives - Assigned: Matt Gantley + Steve Capell + Martin Michelot</p> <p>2. Agricultural products - Assigned: Erik (to be confirmed) + Peter Carter</p> <p>3. Retail products - Assigned: Steve Capell + ref Birgit to research UNECE + Martin Michelot + Peter Carter re external GS1 contact</p> <p>4. Resources and Construction products - Assigned: Lai Wei + Matt Gantley + Jaco re external GS1 contact + Birgit re mining contact</p> <p>5. Healthcare/pharmaceutical products - Assigned: Gregory Mungal + Jaco re external GS1 contact</p> <p>6. Trade Measurement digitalisation - Assigned: Brett Hyland + external PTB contact (Jens Niederhausen?)</p> <p>7. General Trade & Logistics (Legal & Operational aspects) - Assigned (Legal) - UN/CEFACT Domain coordinators BSP Ref MLETR project Birgit to seek out xrefs Assigned (Operational) - tbd Hanane Becha? Patrik Jonasson? Kevin? Matt Gantley to follow up</p>
5 min	<p>Survey of potentially relevant work across UNCEFACT</p> <ul style="list-style-type: none"> Buy/Ship/Pay - Reference Data Model Smart Containers – White paper Pipeline Data carrier – Active project Integrated Track & Trace for Multi Modal Transport – Active Project Verifiable Credentials – Active project JSON-LD web vocabulary – Active Project UNECE Sustainability & track and trace BRS parts 1 & 2 Others? 	All	Summary provided by Ian Watt
20 min	Guest presentation: Integrated Track & Trace for Multi Modal Transport project	JV	<ul style="list-style-type: none"> GS1 EPCIS protocols central to event management Ref also UNECE sustainability Track & Trace project Ref Steve Capell awareness of progress re EPCIS and API's Update on Digital Product Passports provided
5 min	Next steps	BH	Complete assigned homework
5 min	Summary and Next Meeting	BH	Next mtg 6th Sept

Action items

- ☐ Open Actions from previous meeting have made progress BUT will be held 'open" until the 3rd. conf call (all)
- ☐ Multi-Modal Transport public review - request on participants to review and comment where appropriate (all)

—
