Discussion items

Time	Item	Who	Notes
3 min	Attendance/Apologies	BH	Noted first attendance for Reinaldo Figueiredo and Jens Niederhausen
3 min	Previous minutes/Actions	BH	Minutes confirmed Actions completed
2 min	Confirm Agenda	BH	Confirmed
15 min	Presentation - "Trade Measurement Digitalisation" by Dr Jens Niederhausen, Project Manager QI Digital at PTB	JN	Presentation was well received. Slides uploaded to CUE
5 min	Remarks on Supply Chains	BH	Brett Hyland noted that we are not trying to compete or overlap with any government single window systems or private sector supply platforms. We are seeking to document an idea for a TIC-centric model for conformity data exchange, that could act as a resource for any supply chain to access.
20 min	Main Discussion topic: What does a DPCCE White Paper look like	ALL	This topic was recorded, link: CEFACT DPCCE Mtg _4-20220927_182924-Meeting Recording
5 min	Particular data management challenges arising in conformity assessment	BH	Carry this item over to next meeting
5 min	Summary	BH	WP outline 'bullet points' to be prepared based on the earlier email exchange and recorded discussion
2 min	Next Mtg data & Close	BH	Next mtg 18 October @10am CET

Action items

- ☒ BH to circulate draft WP outline in form bullet points
