Date

28 Apr 2019

Goals

- As part of the 36th UN/CEFACT forum, the agri-domain is hosting a meeting on Traceability for Sustainable Garment and Footwear, as part of the project Enhancing Transparency and Traceability of Sustainable Value Chains in the Garment and Footwear Sector, jointly implemented with the ITC with financial support of the European Union.
- The meeting is organized by UNECE secretariat with the support of the core project team.
- The purpose of the meeting is to inform about the outcome of the 27th Session of UN/CEFACT Plenary regarding the project's deliverables and discuss next steps for the implementation, communication and capacity-building.
