Public Review: Technical Note on Terminology for Single Window and Other Electronic Platforms.

CLOSED

UN/CEFACT is pleased to announce the opening of the Public Review period for the project entitled "Technical Note on Terminology for Single Window and Other Electronic Platforms."

This project has aimed to elaborate on the five key aspects of the definition of a Single Window and to provide guidance on terminology for other types of platforms that fulfill a function similar to a Single Window.

The 60 day Public Review period will end on 14/12/2016.

The Public Draft text is available on the CUE website.

Any comments should be submitted to the project's lead editor, Lance Thompson using the comment template.
